THE SECRETARY TO GOVERNMENT,

Subject.—Annual Report on the Civil Hospitals
and Dispensaries in the Bombay
Presidency for the year 1926.

Sir,

I have the honour to submit for the information of Government the report on the Civil Hospitals and Dispensaries in the Bombay Presidency for the year 1926.

BUILDINGS

2. The hospitals have been maintained generally in good repair. The following are the important additions and improvements made at certain hospitals during the year under report:—

(a) *St. George's Hospital, Bombay.*—Extensions to the hospital kitchen were made and quarters for the fifth Assistant Surgeon completed.

(b) *Gokuldas Tejpal Hospital, Bombay.*—The Prince of Wales' Wards and the new quarters for the Matron and Sisters were opened and taken into use.

(c) *Civil Hospital, Dhulia.*—A Dharamashala in connection with the main hospital consisting of three rooms and a bathroom were completed during the year.

(d) *Civil Hospital, Belgaum.*—A maternity ward accommodating six beds was added to the hospital through the generous donation of Rao Bahadur V. N. Parulekar.

(e) *Civil Hospital, Bijapur.*—A new Ophthalmic wing was built out of the donation of Rs. 10,000 received from Messrs. Shrimant Desai Sonna and Desai of Yedhalli and Rs. 5,098 received from the Blind Relief Association, Bijapur.

(f) *Civil Hospital, Godhra.*—The Mrs. Smart Victory Hospital for women and children which forms an adjunct to the main hospital was completed during the year and taken into use.

(g) *Civil Hospital, Ahmedabad.*—An out-patient ward and an Ophthalmic ward were added and the women's and children's wards united during the year.

The Sir Leslie Wilson Hospital Fund, which owes its existence to the initiative of His Excellency the Governor, was established on 9th December 1925, with the object of adding substantially to the existing hospital accommodation in the City of Bombay. The Committee of the Fund have drawn up a programme for the expansion of the J. J. and allied Hospitals extending over a period of five years, Government and the Fund jointly financing the Scheme, each contributing half the cost. The Bombay Municipality has likewise undertaken to contribute a similar share for any allotment that the Sir Leslie Wilson Hospital Fund may make towards the expenditure incurred for any Expansion Schemes that may be undertaken in connection with Municipal Hospitals in Bombay. The Expansion Schemes are making satisfactory progress, funds having already been made available for the first year's programme and the Fund being further prepared with its share of the cost for the second year's programme.

CLASSES I AND II.—These include all institutions maintained by provincial funds and under Government management. The fact that an institution possesses endowments or receives contributions from local funds or private subscriptions has not been regarded as a reason for not classing it as "State" when provincial and imperial funds are practically responsible for all the charges connected with it. Class I—"Public" are State Dispensaries which are open to the poorer classes of the public. Class II are State Dispensaries which serve only a special section of the public as indicated in the sub-classification attached.

CLASS III.—Local fund dispensaries include all institutions which are vested in local boards or municipalities or guaranteed or maintained by local or municipal funds. The fact that such an institution is aided by private subscriptions or receives assistance from Government in the shape of part of the salary of the medical officer, grants of medicine, or otherwise, has not been regarded as a reason for not classing it as a local fund dispensary, when its existence is practically dependent upon local funds.

CLASS IV.—Comprises institutions supported by private subscriptions or guarantee, but receiving aid from Government or local funds.

CLASS V.—Comprises institutions maintained entirely at the cost of private individuals or associations. The fact that Government supplies superior inspection or registers has not been regarded as a reason for not treating it as a private non-aided dispensary.

CLASS VI.—Comprises all railway dispensaries whether maintained by State railways or others.
